## **Mechanic**

*Green Bay, WI*

### **Company Overview:**

At Absolute Concrete our team is the core of our success. Each member brings a wealth of experience, unparalleled skill, and a dedication to excellence that sets us apart in the industry. Our legacy is concrete, the cornerstone of all buildings. We create amazing structures from raw material in an intense window of opportunity that will last generations.

### **Job Description:**

We are looking for a skilled and reliable mechanic to join our team. The ideal candidate will be responsible for diagnosing, repairing, and maintaining a variety of vehicles and machinery. You will work with our team to ensure that all vehicles run efficiently and meet safety standards. If you have a passion for vehicles and mechanical systems, we want to hear from you!

### **Essential Responsibilities**

- Diagnose mechanical issues in trucks and equipment.
- Perform routine maintenance tasks, including oil changes, brake inspections, tire rotations, and fluid checks.
- Repair or replace faulty components, such as engines, transmissions, and exhaust systems.
- Conduct safety inspections and tests on vehicles to ensure they meet regulatory standards.
- Small engine repair and maintenance.
- Pneumatic and electric tool repair.
- Fabricate and weld part of various items.
- Troubleshoot electrical and mechanical problems and apply appropriate solutions.
- Keep accurate records of services and repairs performed.
- Communicate with different vendors to obtain parts and services for vehicles and tools.
- Shop and building maintenance.
- Unload deliveries and shipments using forklift.
- DOT inspections.
- Maintain service records and licensing for vehicles.
- Service calls to field operations when needed.
- Maintain a clean and organized work environment.
- Provide excellent customer service by explaining repairs and providing cost estimates.
- Stay current with the latest automotive technologies and repair techniques.

### **Qualifications**

- Proven experience as a mechanic or in a similar role.
- Strong knowledge of vehicle systems and mechanical repair techniques.
- Excellent problem-solving skills and attention to detail.
- Ability to work independently or as part of a team.
- Good communication skills, with the ability to explain technical issues clearly to customers.
- Certification from an accredited automotive program is a plus.
- Valid driver's license, CDL preferred.

### **Benefits**

- Paid time off – including holidays and paid vacation
- Employee discounts
- On the job training and certifications
- Flexible Schedules
